

Parallel Session A
Venue: Main Hall

Biomedical Informatics

BioMedical Informatics in the 21st century

Dr. Syed Haque

Chair Person- Department of Health Informatics.

University of Medicine and Dentistry of New Jersey – School of Health Related Professions, New Jersey, USA.

Biomedical Image Processing & Molecular Imaging

Prof. Dr.Dinesh Mital

Department of Health Informatics, UMDNJ, U.S.A.

Dr.Sanjay Sharma

Vice President - Operations Neurosynaptic Communications,Bangalore

Biomedical Signal Processing

Dr.N.Sriraam

Head of the Department,
Biomedical Engineering Department,
SSN College of Engineering, Chennai.

Clinical Research & Clinical Data

Dr. Shankar Srinivasan

Department of Health Informatics., UMDNJ, U.S.A

Ms. Vidya & Mr. Arvind

ICON Clinical Research India Pvt. Ltd., India

Women In Bio-Engineering

Dr Parvathi Gopal

Director, Institute of Aero Medicine,DRDO,Bangalore

Ms Niveditha Raghunath

Senir Research Scientiest, Emery Hospital Georgia Tech,Atlanta

Ms.Malathi

Director,SBRI

Translational Bioinformatics & Drug Designing

Artificial Intelligence & Data Mining in Biomedical Informatics

Dr. P.Venkatesan

Deputy Director, Indian Council of Medical Research.
Tuberculosis Research Centre, India.

Application Of Novel Signal Processing Techniques in Chemo & BioInformatics

Dr.Jayaram

NCL Sri Lanka

Data Mining and Kidney failure survival prediction

Dr N.Sriraam

Professor, Head of the Department - Biomedical Engineering Department,
SSN College of Engineering, Chennai.

Vancomycin Resistant Enterococci (Vre) In Equine-Faecal Samples

Mr. Mohamed O Ahmed

Department of Veterinary Microbiology,
Libya.

Parasite Recombinant Proteins and Immunoinformatics

Mr. RB. Narayanan

Centre for Biotechnology, Anna University, Chennai 600 025

Health Information System

Techniques to build Longitudinal Patient Health Record

Mr.Niranjana

Medtech Global, Chennai.

Prof Shivaram Manavalli

President Televital Solns Ltd Bangalore

Mr GuruDutt

Bigtech,Bangalore

Wireless Technology in Health care

Mr Pandian

Senior Scientist, DEBEL DRDO Bangalore
